

Americans with Disabilities Act (ADA)/ Section 504 Rehabilitation Act of 1973

**City of Encinitas Public Outreach Workshop
October 1, 2019**

WELCOME

Your participation is greatly appreciated please keep to the following workshop etiquette:

- **Be courteous, professional and respectful**
- **Address the group and not individuals**
- **Challenge the idea, not the person**
- **Let everyone participate**
- **Listen with an open mind**
- **Stay on Topic**

Thank you!

Welcome and Introduction

Welcome and Introduction

Jace Schwarm, ADA Coordinator for the City of Encinitas and San Dieguito Water District.

ADA Public Outreach Workshop

Purpose & Scope

- Review and update the City of Encinitas/San Dieguito Water District's ADA Section 504 of the Rehabilitation Act of 1973.
- Public workshop is to gather information from the community and special groups on the update to the City/District's ADA Self-Evaluation and Transition Plans.

Self-Evaluation Review

Self-Evaluation Review and Results of:

- City Facilities
- Programs, Services, Activities, and Employment
- Identified barriers to accessibility or alternatives to maintain accessibility for Programs and Services.

Transition Plan Review

Draft 2019 ADA Transition Plan includes:

- Barriers to Accessibility identified in the Self-Evaluation Plan
- Accessible features as part of the City's/District's capital improvement projects and other accessible projects.

Transition Plan Review

Criteria for prioritizing removal of barriers:

- Prioritization based on public access to schools, hospitals, public meeting rooms, gathering centers and rehab centers.
- Council Strategic Plan for 2017-2019 (Improve connectivity and mobility for all users)
- 3/9/19, Council identified a three tier Capital Improvement Program Priority system. Tier 1 with highest priority and with identified funding have been added to the Transition Plan.

Transition Plan Review
