

# ***SPEED CUSHION PETITION FORM***

The purpose of this form is to enable residents of Encinitas to request the initiation of a traffic assessment to determine potential eligibility of a residential street in the City's speed cushion program. The form must be filled out in its entirety and returned to:

City of Encinitas  
Traffic Engineering Section  
Attn: Speed Cushion Program  
505 S. Vulcan Ave.  
Encinitas, CA 92024

## **Requestor Contact Information**

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone / Email: \_\_\_\_\_

Residential street requesting speed cushions: \_\_\_\_\_

This petition must be signed by a minimum of ten households on the requesting street. Only one signature per household will count toward petition endorsement. Submission of this petition will result in speed and volume data collection on the requesting street in order of submission. Requestor and undersigned acknowledge that not all requesting streets will qualify for speed cushion installation.

	Printed Name	Address	Phone/Email	Signature

11.	_____	_____	_____	_____
12.	_____	_____	_____	_____

Fire Department review will be more critical for residential streets located within the designated Very High Fire Hazard Severity Zone. The Department reserves the right to remove speed cushions as necessary if, in their discretion, fire response becomes an issue.

Copy and attach additional signature pages as necessary.
