BIKE AND E-BIKE RESOURCES

Electric bicycles (e-bikes) are more popular than ever and allow people of many ages and abilities to get out and enjoy the fun and exhilaration of cycling with assistance from an electric motor. There are many different styles of e-bikes, from cargo e-bikes to beach cruisers to mountain bikes, making them useful and fun in many ways. E-bikes also provide a great alternative to getting in a car to travel around town.

If you ride, or are considering riding an e-bike in and around Encinitas, please take the time to learn what's allowed, what the applicable laws are and follow guidelines and recommendations for riding safely. Visit the City's Electric Bicycle information webpage at www.EncinitasCA.gov/ebikes. Also find our handy E-Bike Road Rules folding pocket brochure available on the webpage or pick one up at Encinitas City Hall and the Encinitas Community Center.

City Cycling Bike/E-Bike Safety & Skills classes in Encinitas

In our courses, offered in partnership between the City of Encinitas and the San Diego County Bicycle Coalition and under the direction of a trained bike instructor, you will learn the rules of the road and practice essential bike riding skills. Topics covered include where to ride, best practices, emergency maneuvers, and legal rights and responsibilities. The 3-hour class is broken up into 3 parts: lecture, skills drills, and a guided road ride to put your new skills into action! Class content applies to both regular and e-bikes. Make sure your bike is in good working order and ready to ride. Some cycling experience is required as this is not a "learn-to-ride" class. Encinitas residents will receive a refund of registration amount after completion of the course (\$2.50 ActiveNet system processing fee is non-refundable). If under 16, parent registration and participation strongly encouraged. For participants 12 and under, parent registration and participation required.
