

## ATTACHMENT B - POLLUTION PREVENTION QUESTIONS

Please answer the following questions and describe methods of pollution prevention that will be implemented at the proposed event.

1. Describe how recycling, waste and debris will be managed (e.g. extra bins, temporary fencing, etc.) ClearStream recycling units are available to assist with event recycling. Please contact the Public Works Department at (760) 633-2846 for more information.

2. If the event includes food production, describe how excess oil and grease will be disposed, as these materials cannot be dumped into the streets or storm drain system.

3. Please identify any other pollutant generating activities that may take place (e.g. portable toilets).

For questions, please call the City's Clean Water Program at (760) 633-2787.
