## FEES & INFORMATION

### SHORT-TERM RENTAL PERMIT

A Short-term Rental is defined as the rental of any single-family or duplex unit that is a privately-owned structure, or any portion of any structure (non-accessory dwelling unit as that term is defined in Government Code Section 65852.2, which may be amended from time-to-time), for occupancy for dwelling, lodging, or sleeping purposes of 30 consecutive days or less in the City of Encinitas (City). Accessory dwelling units are not permitted to be rented as a short-term vacation rental. Non-monetary forms of compensation shall also qualify a property as a short-term rental. All short-term rentals require a permit from the City.

Approved permits are valid for one year and are non-transferable to another location or to another person. If a change of property ownership occurs, then a new application shall be obtained. A permit renewal request requires the submittal of a new application, all associated required documentation and fee payment.
