# BIKE AND E-BIKE RESOURCES

E-bikes are more popular than ever and allow people of many ages and abilities to get out and enjoy the fun of cycling with assistance from an electric motor. There are many different styles of e-bikes, from cargo e-bikes to beach cruisers to mountain bikes, making them useful and fun in many ways. E-bikes also provide a great alternative to getting in a car to travel around town.

If you ride, or are considering riding an e-bike in and around Encinitas, please take the time to learn what's allowed, what the applicable laws are and follow guidelines and recommendations for riding safely.

Visit [www.EncinitasCA.Gov/Ebikes](http://www.EncinitasCA.Gov/Ebikes) to find information and resources for safe cycling.

## City Cycling Bike/E-Bike Safety & Skills (ages 10 and up)

Under the direction of a trained bike instructor, you will learn the rules of the road and practice essential bike riding skills. Learn where to ride, best practices, emergency maneuvers, and legal rights and responsibilities. The three-hour class is broken up into three parts: lecture, skills drills, and a guided road ride to put your new skills into action! Class content applies to both regular and e-bikes. Make sure your bike is in good working order and ready to ride. Some cycling experience is required as this is not a "learn-to-ride" class. Encinitas residents will receive a refund of registration amount after completion of the course (\$2.70 ActiveNet system processing fee is non-refundable). If under 16, parent registration and participation is strongly encouraged. For participants 12 and under, parent registration and participation required. For info and to register, visit [www.EncinitasCA.gov/Ebikes](http://www.EncinitasCA.gov/Ebikes).
