Invites you to attend a:

**PUBLIC MEETING
PARKING PERMIT STUDY**

The City has hired a consultant to update chapter 14.41 of the City of Encinitas Municipal Code on establishing Permit Parking Zones Citywide. The future program will provide clear guidelines on establishment of potential new permit parking zones in the City and their operation. Please join us at the upcoming Mobility and Traffic Safety Commission meeting, scheduled for March 11, 2024 at 5:30pm, to share your feedback. During the Public Meeting, the consultant will provide information about the current study and the City would like residents to provide their opinion and experience on permit parking programs in Encinitas.

Meeting materials and the link to an electronic survey will be available on the Engineering Department Public Notices website prior to the meeting at the link below:
