The City of Encinitas is preparing the El Camino Real Specific Plan. The third community workshop for the El Camino Real Specific Plan will be held:

**Tuesday, June 11, 2024, at 6:00 p.m.
Encinitas Library Community Room
540 Cornish Drive
Encinitas, CA 92024**

The El Camino Real Specific Plan will reimagine the possible future development within the El Camino Real corridor in Encinitas. This workshop continues the public outreach process for the El Camino Real Specific Plan Project. The purpose of the workshop is to provide an overview of the change in scope of the project, present the Draft El Camino Real Specific Plan, obtain input on specific aspects of the streetscape improvements and objective design standards, and provide the public an opportunity to make written comments on the Draft Initial Study/Mitigated Negative Declaration. We want to hear from residents, property and business owners, and those who utilize the corridor area. More information on the El Camino Real Specific Plan is available at the project webpage on the City's website: www.encinitasca.gov/El-Camino-Real-SP
